Hi Dina and Xiomara – I'm excited to be working with you all again. I think we are starting to get the hang of thing for these meetings. I'm attaching the English slides, script, and a copy of your Zoom links which have also been emailed to you from Zoom.

We are getting the slide decks translated. I'll share the Spanish versions when I have them. Will you all be able to share the Spanish slides in the Spanish channel during interpretation? If not, we will post them on the website and let folks know that they are available online. We have two people who have requested translation so we expect at least two people to join.

Thanks,
